# Dedication

When you're weary, feeling small  
When tears are in your eyes, I'll dry them all;  
I'm on your side, when times get rough  
And friends just can't be found,  
Like a bridge over troubled water  
I will ease your mind,  
Like a bridge over troubled water  
I will ease your mind.

Simon and Garfunkel

It is with great pride and affection that we dedicate this yearbook to our friend and advisor, Mr. Peter O'Neill.

Throughout the years he has guided us with sincerity and devotion. His warmth and sensitivity will always be remembered in our hearts and for this reason this yearbook is dedicated to him.

### To My Friend

I love you not only for what you are, but for what you are when I am with you. I love you not only for what you have made of yourself, but for what you are making of me. I love you because you have done more than my creed could have done to make me good, and more than any fate could have done to make me happy. You have done it without a touch, without a word, without a sign. You have done it by being yourself. Perhaps that is what being a friend means after all.

## Seniors

Times changed, and we will change, but not  
in the ways of friendship.

# Junior Day

May 9, 1974, was a beautiful day. The weather was warm and clear. On this day, some 250 students picnicked at Christopher Morley Park in Manhasset. Here students and faculty alike participated in a wide variety of activities, which included volleyball, soccer, softball, Frisbee and basketball. Everyone was satisfied with the abundant food and drink and the music provided by the band.

# Senior Fair

On October 18 and 19, 1974, the Senior  
 Festival, an first time event of the year,  
 the Senior Fair. Everybody enjoyed their  
 selves and the people who attended the  
 fair were very happy. We worked hard.  
 Despite the extremely bad weather, the  
 Fair was a complete success.

## Senior Council

The Senior Council is a group of students who are interested in the school and its activities. They have been elected to represent the students in the school council.

The council has been very successful in its work. They have been able to get the school council to do many things that the students wanted. They have also been able to get the school council to do many things that the school wanted.

A lot of things have been done by the council. They have been able to get the school council to do many things that the students wanted. They have also been able to get the school council to do many things that the school wanted.

# IN MEMORY OF

## REGAN GESSWEIN

How can anyone describe the effect that a smile can have? What can you say about someone whose whole being radiated happiness and love for life?

In addition to Regan's many thoughts and abilities, she gave something of herself to everyone she came in contact with — a precious feeling that life itself is vital and worthwhile.

How many of us can say that we know someone who is simply beautiful in every respect? Those of us who knew Regan are able to say that we have had this experience . . . that we knew someone whose love and warmth will be carried with us forever.

— Eve Cauley  
Bill Kovacsik

## In Appreciation

The yearbook staff would like to express their deep thanks and appreciation to these people for their kind help during this past year.

We extend our appreciation to Mr. Wurthmann for his assistance in financial matters.

Also, a very special thanks to Mrs. Amy Reinhardt — without her advice, assistance and consolation, this yearbook would not be possible.

There's lots of good fish in the sea . . . maybe . . . but the masses seem to be mackerel or herring, and if you are not mackerel or herring yourself, you are likely to find very good fish in the sea. — D. H. Lawrence

**DEMPSEY, DENISE**

There once was a note, pure and easy,  
playing so free, like a breath rippling by  
The note is eternal, I hear it, it sees me.  
Forever we blend and forever we die  
Peter Townshend —

ODZE, LORI  
Young and restless friend, you'll never pass this way again, so drink  
summer wine and reach for the stars while you have time. Your rest-  
less dreams will lead the way; so dream your dreams and live for

## Underclassmen

The Junior Class has had the second in the history of Mississippi High the honor of a Sock Hop! This year too, it proved to be a fantastic success. Future plans include a Magazine Sale as well as a WGBB Basketball game. Most exciting and coming up is the Junior Prom. First S A T's were taken so now the Juniors realize what is in store for the coming year. Also in the coming year are the Senior Fair, Variety Show and Prom. Best of luck for a great year!

# Sophomores

*Sophomore Class Officers: First Row: Ron Fugebaag, President; Amy Goldfarb, Secretary. Back Row: Chris Von Felde, Vice President; Larry Dember, G.O. Representative; Rose Doran, Treasurer.*

The hard-working Sophomores had great success this year with their Pancake Breakfast before the Berner Fair. It brought in a large profit for the class as well as making many hungry people happy. Earlier in the year they sold "Class of '77 T Shirts." Night of the Living Dead and a Marx Brothers picture were two film presentations shown which provided great entertainment for all. The Class of '75 wish you the best of luck in your remaining years to come "you deserve it!"

# Freshmen

*Freshman Officers. l. to r. Steve Abbate, Gary Slutsky, Troy Pappas (not shown), Mary Ellen Sulichett, Craig Zlotnick) Advisors: Miss Muenken, Mr. Ketchum*

The Class of '78 has been elected to the Freshman Class. They are going to be the first class to be elected to the Freshman Class. They are going to be the first class to be elected to the Freshman Class. They are going to be the first class to be elected to the Freshman Class.

Pulling together is a group work. There are points of view that must be taken on one's feelings, they must be met and met with when the small must come over a common. It is made sure the common of a group is ready to be a part of the group.

The enthusiastic participation of this year's N.H.S. members in selling soda and obtaining subscriptions to the N.Y. Times for teachers and students has paid off. With the money the club has earned, they are going to see the Broadway show, Pippin.

The tutorial program has been very helpful to students

In addition to the present Constitution, a new amendment has been suggested which will require prospective members to have an interview along with the standard admission policy of having a B+ average.

## 2. O. O. CARD

The O. O. would like to take this opportunity to welcome everyone back to school, especially "Amenities" to our members, the 4th of 1984.

Once again, the O. O. will be trying to make the students' lives a lot more enjoyable. Again this year the O. O. has had a new program concerning the O. O. card. The O. O. card has been expanded beyond the value of \$1.00 to the stores of Amesbury and Amesbury Park. Now, students bearing a O. O. card will be able to get tremendous DISCOUNTS at more stores than ever before, besides the usual discounts of 10-15%. Here is how the O. O. card will benefit you: (For the low price of only \$2.00)

1. Permit you into all "A.M." sporting events to see all the action.

1

2. Give 1.00 discount off the purchase of merchandise.

3. Give discounts at all O. O. shops and events and at most school events.

## It's Academic

With many of last year's members returning this year, the It's Academic team once again faced hard competition. The team, consisting of Carey Langer, Kevin Givett, Bob Kipper, and Debbie Dreyfuss, won its first match but lost the second. This loss cost them the chance to win the championship, but this year's winners are eager to get it right next year.

It is our two more exchange students visited Massapequa High School. Roger Cherix from Switzerland and Kari Oseth from Norway stayed with two MHS students for twenty-four days.

Kari is really enjoying her stay here in America. Her only fear is going home at night — a fear she doesn't experience in Norway.

Nanette Woodward and Kari Oseth

Roger Cherix (photo not available), who is staying with Jimmy Karpen, is also enjoying himself here. One major difference between America and his native country is that we use cars much more frequently. While many students drive to school in the winter, students in Switzerland ski to school.

Despite the fact that the Chiefs had no wins and no touchdowns a season record posted against five wins, Massapequa was the eighth prominent power in Nassau County. The Chief House, which was 1 times expensive, averaged 24 points a bad game. The Chiefs also registered two shutouts, blanking Valley Stream Central 16-0 and romping 49-0 against Art Pursuech proved to be one of the times running backs at Long Island. His talented speed scored a fine offensive line gained well over 1,000 yards rush up and scored 17 touchdowns. In his two years with the Chief varsity, Pursuech gained close to 2,000 yards rushing and he scored 30 touchdowns.

The Chiefs were rampant with talent as five players gained All Division honors. They were Pius and L. Craig Keefer, Hal Levy, Keith Geoghan, and Tom McCaulough. Pius and Keefer were also named to the All County team. Unfortunately, the Chiefs did not win their division title. In the season finale that would decide the division crown, the Chiefs lost a heart breaker to their crosstown rivals, the Berwyn Bisons, 14-12.

Just over the Mountain to High School, varsity Coach started the basketball program last year. This year under second year coach Nick Verini they have really turned things around. Coach Verini is a firm believer in the team concept of basketball and it is working. The Chiefs are not only headed for the playoffs but are very good at it taking the Division 1 title.

One big reason for the Chiefs' vast improvement from last year has been the play of sophomore Harry "Fritz" Rote. It is not difficult to know how well he is doing, for within four years of Varsity competition. Senior Guy Keefe, Guy Mince, Frank Eppert, Ed Roney, the Deas and Arno Palmer have made the Chiefs' way to the 1939 State Football Championships. Zenger, second on the team, has played over 100 games.

Anyone who knows anything about the Massapequa Chief Varsity Wrestling team knows that under the coaching of Al Bevilacqua they are a team with talent and pride. This year the Chiefs handled most of their opponents with relative ease. Despite this the Chiefs, for the first time in a number of years, failed to qualify for the playoffs.

In the biggest match of the season the Chiefs lost to the Long Beach Bulldogs. The Bulldogs won the match with a victory on a technical fall. The Bulldogs won the match as the Bulldogs topped them 22-21 only after a Chief grappler was called for injuring a Bulldog wrestler on an illegal hold.

The MHS Winter Track team had a good season this year although injuries to key runners at various times never allowed the team to live up to its full potential. Junior Steve Gubelman paced a good distance crew that included Rich Motley, Gordon Ferguson and John Turner. The sprinters, led by juniors Al Santaniello and Matt Dowd, included hurdlers Marc Wind and Mike Lowe, plus John Cas...

A curious twist to the season was provided by the fact that the female runners, one of the best girl squads on the Island, netted far more than the boys. They were Don Boudreau, sophomores Elen Duggan, Gloria Kostycka and Laurie Nagel, and freshmen Heidi Edelberg and Kady Mehrenger.

Last year's Spring Track team had a fine Season, placing fourth in the Sectional Championship. Outstanding performances by last years seniors Rich Brown in discus, Bob Fenstermacher in shotput, Greg Moler in the 220 and 100 yard dash and Ed Ennis in all events added to the season's success. Ennis proved to be a great asset to the team as "Best All Around." This year's talent includes seniors Mark Wind, Joe Sinacore, Gordon Ferguson, John Turner and Art Pulcinella. Pulcinella is expected to be this season's "Best All Around."

The 1974 Chiefs utilized excellent pitching and steady defense to compile a seasonal record of 20 wins and 8 losses. Our league II record (13-5) gave us second place behind Mepham, the eventual Nassau County and Long Island champion.

During the SSAL playoffs, the Chiefs won three consecutive games including Frank Lipari's perfect game against Berner. Our Season came to an end when we were defeated 2-0 by New Hyde Park in the SSAL semi-finals.

Although team play was evident through the season, several players receive individual honors. David Malkamus was selected for the All County team and Mark Barry Zinkel, and Steve McNamara were chosen for the All Division team. All Division honorable mention went to Michael Cantor, Richard McCormick, Craig Keefer, and Frank Lipari.

For the Massapequa Chief varsity lacrosse team, 1974 was quite simply a super year. It was the pinnacle in Coach Roman (Pat) Oleksiak's nine year coaching career. Oleksiak secured his 101st career victory compared with only 34 losses. More important though was that the Chiefs won their first South Shore as well as Nassau County Championship ever. In the battle for the Long Island title the Chiefs were defeated by Ward Melville High School, Suffolk County's line club (score of 1-2).

Massapequa boasted some very impressive talent including two high school All-Americans in Mike O'Neill and Craig Jaeger. Tom Marino was Selected to the All County squad. With some blue chip talent returning this year the Chiefs will be looking to defend their Nassau County Crown.

The MHS Field Hockey Team under the direction of Miss Hoffman achieved a winning record of 5-2-2. They did this despite the disadvantage of having to play all but one of their games away because of the poor condition of the MHS field. Barbara Arvanitis provided the inspiration for the team with her fantastic stickwork and Kim Colondona and Nancy Pulver led the team in scoring goals. Seniors Jane Finston, Jane Forte and Lorraine Serverian also put in a great effort on offense and seniors Lori Cohen, Debbie Muller and Wynne Shaw effectively backed them up on defense with Mae Silverman in the goal cage.

# Lacrosse

Girl's lacrosse is becoming an increasingly popular sport with more girls participating in MHS last year than ever before. Lacrosse is an exciting, fast-moving sport that not only involves the thrill of playing on a team but also the challenge of learning the intricate skills needed to successfully play the game. Last spring the MHS Girl's Lacrosse Team had a winning season with last year's graduating seniors and this year's returning seniors Jane Forte, Lorraine Serverian, Pat VonGlahn, Beth McCauley and goalie Mac Silverman.

I hope the day will be a lighter day  
For friends are found on every road  
Can you ever think of any better way  
For us to get to where we want to go

Let's then all work together  
Let the people know we've got what we need  
When the time comes we'll see the light  
We'll know it's there when the sun is shining

It's our duty to stand together  
For the good of the whole  
And the good of the whole  
And the good of the whole

Let's then all work together  
Let the people know we've got what we need  
When the time comes we'll see the light  
We'll know it's there when the sun is shining

Take care and Good Luck Always from the Class of '75.

For all of our friends it will be a sad moment when the place that has kept us together for so long is no longer a binding force between us. For all of us it is another end and another beginning.
